

# Better Hand Hygiene Means Better Infection Control

Department of Veterans Affairs Product Brochure

# Austin Lighthouse

Austin Lighthouse has partnered with GOJO Industries, the leading global producer and marketer of skin health and hygiene solutions, to provide skin care products to the Department of Veterans Affairs through the AbilityOne Program.

The AbilityOne (formerly JWOD) Program creates jobs and training opportunities for people who are blind or who have other severe disabilities. Its primary means of doing so is by requiring Government agencies to purchase selected products and services from nonprofit agencies employing such individuals.

## MANDATORY BASIC ORDERING AGREEMENTS FOR HAND SANITIZER

The VA National Acquisition Center (NAC) has awarded Austin Lighthouse (also known as Travis Association for the Blind), two standardized Basic Ordering Agreements for Hand Sanitizer. These mandatory ordering agreements (VA797-BO-0133 and VA797-BO-0137) cover a broad range of hand sanitizer formulations, formats and dispensing systems.

## Simplified hand hygiene yields better patient outcomes

OUNCE FOR OUNCE OUTPERFORMS OTHER HAND SANITIZERS.

PURELL® Advanced Hand Sanitizers set a new standard in performance. The scientifically advanced, patent-pending formulations kill 99.99% of most common germs that may cause illness. Clinically proven to help maintain skin health.\*
